

# CPS and CAP Examination Centers

The CPS and CAP Examinations are not administered at every test center on all testing dates. **All centers listed are tentative.**

If your first choice is full or not available when your application/registration is processed, you will automatically be assigned to your second or third choice.

If all of your choices are full or not available, you will be assigned to the nearest available center within 150 miles of your first choice.

If you do not indicate your choice of exam centers, one will be made for you. Your admission ticket will reflect the center to which you have been assigned.

• Not Available

# Open only to those whose religious beliefs prohibit Saturday testing  
(exam is administered the preceding Thursday afternoon and Friday)
